

INTRODUCTION TO OUR LIST

Welcome!

The wine program at black & blue has been designed to make the most out of the guest experience by providing value-driven options in an array of styles, brands, and prices. While big names and well-known producers are heavily represented, up and coming producers, new regions, and the latest wine trends round out the offering. We constantly strive to provide the best that the market has to offer directly to you, our guest.

The core philosophy of our restaurant is that wine is simply an extension of the meal enhancing your experience with us. There aren't any wrong choices when it comes to wine, just some that are more to your personal taste. Because of this belief, our whole team is prepared to answer questions and assist in choosing the right wine for you.

Sincerely,

The logo consists of the letters 'b' and 'b' in a stylized, lowercase serif font, with an ampersand (&) between them. The letters are bold and the ampersand is slightly smaller and more decorative.

The black & blue team
